LITERATURE

THE PREPARATION OF THESE BUDDHIST TRUMPETS IS ACCOMPANIED BY ELABORATE INCANTATION AND RITUAL . BUDDHISTS BELIEVE THAT THEY HARNESS THE ENERGY OF THE WIND BY BLOWING TRUMPETS WHICH THEN CALL ON , AND WARN THE SPIRITS OF THE IMPENDING CEREMONIALS .
THESE TRUMPETS ARE USED IN MANY RELIGIOUS CEREMONIES BUT ARE USED ESPECIALLY FOR EXORCISING DEMONS , AND THE HUMAN BONE IS INTENDED TO REMIND BOTH THE PLAYER AND LISTENER OF HIS OWN IMPERMANENCE AND TRANSIENT EXISTENCE .
