LITERATURE

THESE TURTLE SHELLS WERE MOST OFTEN MADE INTO FIRE SCREENS BY SAILORS WHO, ON A LONG VOYAGE TO THE WEST INDIES AND SOUTH AMERICA, THEY TOOK THE SHELLS ON BOARD TO USE AS A SUPPLY OF FRESH MEAT ON THE WAY HOME. DESCRIBED AS TASTING LIKE A CROSS BETWEEN VEAL AND LOBSTER, TURTLE MEAT AND TURTLE SOUP BECAME FASHIONABLE DISHES IN 18TH CENTURY LONDON SOCIETY, WHERE FOR OVER 200 YEARS THE LORD MAYOR'S ANNUAL BANQUET AT MANSION HOUSE WOULD BEGIN WITH A TURTLE SOUP.
