SIZE: 25CMWIDE, 4.5CMDIA (APPROX) – 9¾ INS WIDE, 1¾ INS DIA (APPROX)

## LITERATURE

POWDER FLASKS ORIGINATED AS A CASE IN WHICH TO CARRY GUNPOWDER USED AS THE CHARGE FOR MUZZLE LOADING GUNS. THEY BECAVE AESTHETIC OBJECTS IN THEIR OWN RIGHT AS WELL AS A SIGN OF RANK. ORNATE POWDER FLASKS SUCH AS THIS PROBABLY NEVER ACTUALLY FUNCTIONED AS CONTAINERS FOR GUNPOWDER, BUT WERE WORN TO ORNAMENT FASHIONABLE HUNTING DRESS.
