#### LITERATURE

THE USE OF AWBER WAS AN ARISTOCRATIC PRIVILEGE IN EUROPE IN THE 17TH AND 18TH CENTURIES, AND THIS POWDER FLASH IS REMARKABLE FOR THE SUCCESSFUL COMBINATION OF VARIOUS MATERIALS. THERE HAS BEEN A LONG TRADITION OF MAKING ACCESSORIES FOR SPORTING GUNS, AND IN PARTICULAR POWDER FLASKS, DECORATED WITH MYTHICAL SCENES OR ARMORIALS. IT IS PROBABLE THAT THIS FLASK WAS COMMISSIONED FROM A MAKER OF GUNS AND ACCESSORIES IN NORTH EAST GERMANY WHERE WORK IN BALTIC AWBER WAS MORE COMMONLY UNDERTAKEN.

USED AS A SMALL CONTAINER FOR GUNPOWDER, ESSENTIAL FOR MUZZLE LOADING GUNS, POWDER FLASKS BECAME ELABORATELY DECORATED WORKS OF ART, WORN AS EMBLEMS OF POWER AND STATUS, WHEN PARADED AS PART OF THE CEREMONIAL HUNTING DRESS OF AN ARISTOCRATIC SPORTSMAN.
