### **LITERATURE**

THE ART OF THE ETRUSCAN PERIOD IS AN ART OF MANY PEOPLES AND INFLUENCES. IT CAN BE SAID THAT ETRUSCAN  
ART IS THE REAL ANTIQUE ART OF ITALY. ETRURIA WAS A RICH COUNTRY WELL PROVIDED WITH FERTILE VALLEYS AND  
HAVING QUANTITIES OF SILVER AND OTHER ORES. ROMAN POETS DID NOT EXAGGERATE WHEN THEY WROTE THAT THE  
ETRUSCANS WERE WELL FED AND LIVED ENJOYABLE LIVES.

THE FALISCI LIVED IN NORTHERN LAZIO ON THE ETRUSCAN SIDE OF THE TIBER RIVER. THEY SPOKE AN ITALIC  
LANGUAGE CALLED 'FALISCAN' CLOSELY RELATED TO LATIN. ORIGINALLY A SOVEREIGN STATE POLITICALLY AND  
SOCIALLY THEY SUPPORTED THE ETRUSCANS JOINING THE ETRUSCAN LEAGUE. THIS AFFILIATION LED TO THEIR NEAR  
DESTRUCTION AND TOTAL SUBJUGATION BY ROME.

ROMAN CONNOISSEURS IN THE DAYS OF PLINY WERE ESPECIALLY FOND OF COLLECTING ETRUSCAN AND FALISCI  
WORKS OF ART, PAYING HIGH PRICES FOR VASES AND BRONZES. IN 295 BC THE ROMANS BOUGHT 2000 BRONZE  
STATUES TO ROME FROM THE CONQUERED VOLSINII AND THE EMPEROR AUGUSTUS COMMISSIONED THE RENEWAL OF A  
STATUE OF APOLLO. IN THE BRONZE FOUNDRIES OF PRAENESTE, NOT MANY MILES FROM ROME, PEOPLE HAD WORKED  
ACCORDING TO ETRUSCAN MODELS FOR 500 YEARS. ALTHOUGH CONSIDERED OLD FASHIONED FROM THE EPOCH OF  
TRAJAN, ETRUSCAN CRAFTSMEN WERE STILL EMPLOYED TO MAKE BEAUTIFUL ENGRAVED BRONZE MIRRORS, VESSELS,  
CONTAINERS AND BROOCHES.
