LITERATURE

A SUPERB AND VERY LARGE HIGH NECKED VASE WITH A LARGE BULBOUS 'GADROONED' BASE. THE OVERALL COLOUR AND PATINA SUGGEST A PERIOD OF TIME OUTSIDE, WHERE THE VASE MAY HAVE FORMED PART OF A 'SCHOLARS' GARDEN. THE COLOUR AND PATINA GAINED FROM THIS EXPOSURE HAVE CREATED A WONDERFUL 'MELLOW' COLOUR AND DEEP 'GLOW'. OLD 'FISSURES' AND FIRING FAULTS REPAIRED WITH SILVER INLAY. THE BASE IS MISSING, EITHER THROUGH 'FIRING' OR MAYBE AT A LATER DATE WITH EUROPEAN MOUNTS OR ELECTRIFICATION ?. THE IMPRESSIVE SIZE SUGGEST THIS VASE WAS DESTINED, FOR EITHER A PALACE OR HIGH RANKING OFFICIAL RESIDENCE.
